New Guides for June 13:

Travel Guide - Learn more about New Faculty Orientation 2024

What is ECU New Faculty Orientation (NFO)?

On August 12 and 13, 2024, new ECU Faculty from across the university will come together for a two-day orientation event that we hope you will find to be both informative and fun.

For now, you only have two things to do to prepare:

- 1. Mark your calendars to attend NFO from:**
8:00 am to 7:00 pm on Monday, August 12th
8:00 am to 5:00 pm on Tuesday, August 13th
Please plan to attend both days for the full time.

Updated information will be included in future newsletters and added to the [New Faculty Resources webpage](#) on the OFE website as the schedule solidifies.

2. Help us plan for NFO by completing the [NFO 2024 Survey](#) by Monday, July 1st.

The NFO agenda is packed with information to help you get started as Pirate Faculty. Example topics include:

- Information about benefits and resources at ECU
- Resources through the ECU Libraries
- Teaching-related Supports
- Research-related Supports
- Supporting Students at ECU
- Faculty Policies, Processes, and Resources
- Building your Mentor Map
- ...and more!

The event is also full of opportunities to connect with other new faculty and key people who will be a part of your ECU journey. You will meet senior campus leaders, attend an information fair tailored to the needs of faculty, and select from break-out sessions depending on your specific interests.

We are looking forward to seeing you!

New Faculty Check Points - Travel through ECU with a Virtual Tour

We are so excited that you will be joining us soon! In case you have not had the chance to explore campus just yet, take a test drive through our beautiful university via a [virtual tour](#).

Virtual Tour

While we hope you'll be able to join us for an in-person visit, we have created a virtual tour for those who can't make it to Greenville just yet or want a sneak peek of what they'll see on their campus tour:

Greenville is a great college town with a flourishing cultural, educational and medical hub located in the heart of eastern North Carolina. Learn more [here](#).

Self-Guided Tour

Download our [self-guided tour](#) or pick up a tour brochure from the Main Campus Student Center information desk (or from the porch of the Whichard Building).
