

PIRATES ABOARD!

NEWSLETTER #4

The ROAD TO ECU

***On Location:**
Joyner & Laupus Libraries*

***New Faculty Check Points:**
ECU Parking & Alerts*

***Community Attractions:**
Local Places & Day Trips*

***What Drives Pirate Nation:**
Mentor Mapping*

In this week's New Guides, we travel to the libraries, journey through parking permits & ECU alerts, explore local places, & end with some tips about mentoring.

Reminder: Please complete the NFO Survey if you haven't already.

- NFO 2024 Team

New Guides for June 27:

On Location - Joyner and Laupus Libraries

Buckle up for an adventure with David Hisle as he shares more about [Joyner Library](#).

Next, hear from Beth Ketterman about the [Laupus Health Sciences Library](#).

New Faculty Check Point #1 - ECU Parking Permits

It's time to secure your ECU parking permit. You can find parking information by going to [PiratePort](#) and selecting "[Parking and Transportation](#)." New employees are eligible to purchase a B1 permit or Garage Access. If you would like a permit for an A1 lot, you must join the waitlist. On average, it takes a few years to receive an A1 permit after joining the waitlist, so we recommend signing up early! ECU uses a Plate to Permit system, so you will not receive a physical parking permit.

Faculty and Staff Fee Schedule

Zones	Yearly Price
24/7 Garage Access	\$720
Main Campus A1 and Health Science Campus A3	\$428
Main Campus B1 and Health Science Campus B3	\$214
Motorcycle Permit	\$68
Motorcycle Permit with Vehicle Permit	\$39

New Faculty Check Point #2 - ECU Alerts

Stay up to date with critical news and important updates in the ECU community by signing up for [ECU Alerts](#). By registering, you can choose to receive official communication regarding emergency procedures and hazardous weather alerts on your cell phone and computer.

Additionally, you can download the [LiveSafe App](#) on your cell phone for a direct connection to the ECU Police. The App allows you to share information with the ECU police via text messaging, pictures, videos, audio, and live chat features.

Below, Captain Chris Sutton, Field Operations Captain for the ECU Police, explains LiveSafe and demonstrates its functions.

Community Attractions - Local Places and Day Trips

Need a fun afternoon activity in Greenville? Try to find all nine secret squirrel murals hidden around town!

Answers can be found on the Emerge Gallery & Art Center [Webpage](#).

Emerald Isle is a part of the Crystal Coast and is a little less than 2 hours away. Here you'll find sandy beaches, blue water, and maybe even some sea turtles! Grab an umbrella and set up for a relaxing day at the beach.

If you love the water but would like something closer, head over to Washington, NC. Located about 30 miles southeast of Greenville, Washington offers various activities, including water sports, hiking, and shopping.

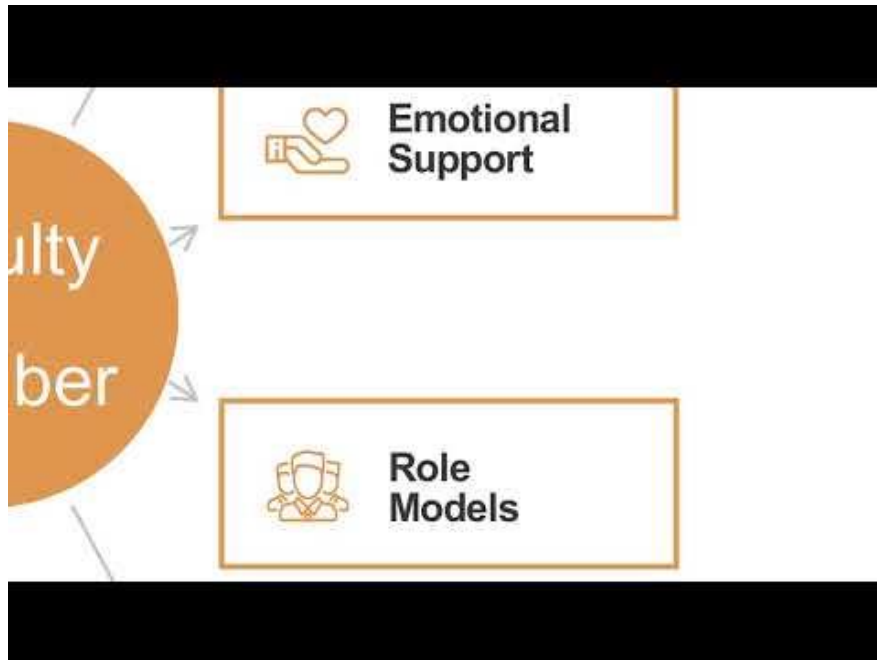

More of a sports fan? Raleigh is only 90 miles away and is home to some of the most exciting sports teams in North Carolina.

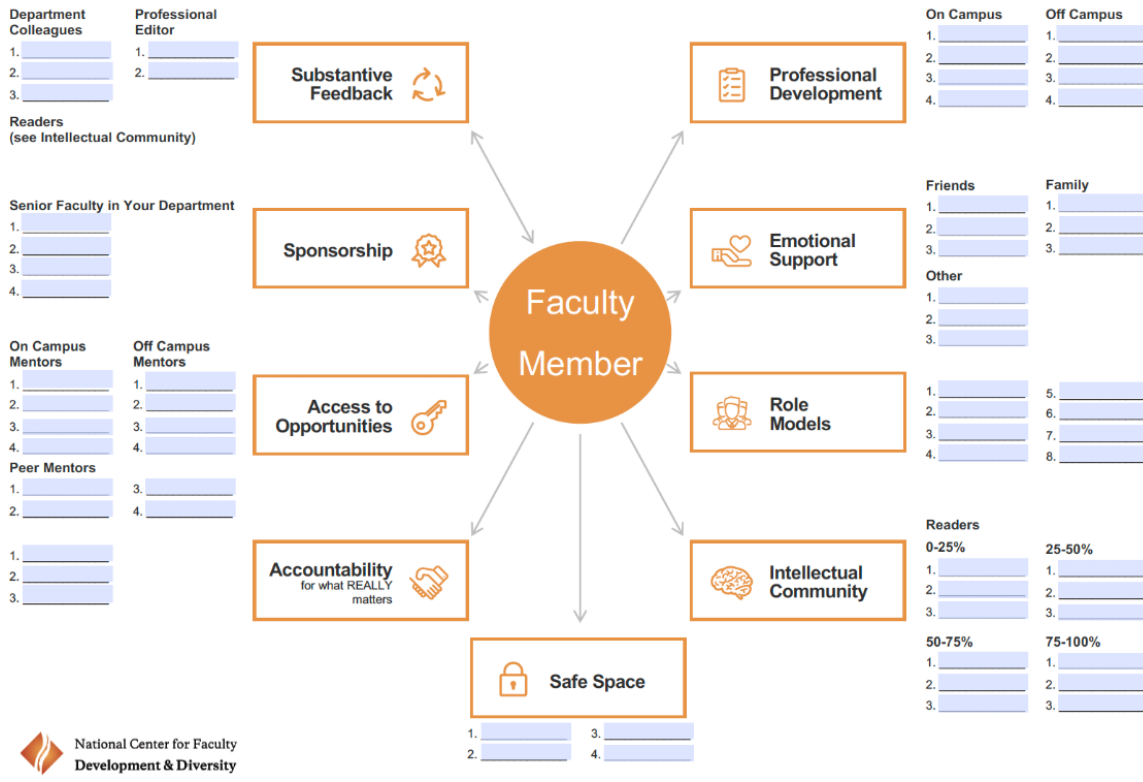

What Drives Pirate Nation - Mentor Mapping

At ECU, we never want you to feel like you are alone - because you're not. We understand the importance of mentoring new faculty and strive to help you make connections throughout your journey at ECU. Check out the video below to learn about the mentor map from Dr. Eboni Baugh.

We encourage you to begin thinking about which individuals could be added to your mentor map. There's no pressure to figure everything out right now. This takes time and your mentor map will be a living document. Rest assured, we're here to help you however we can.

Download a fillable version of the mentoring map [here](#).
